

Since its inception in 1990, the Manila FAME KATHA Awards has stood as the hallmark of Philippine product design excellence and innovation. The distinction is awarded to Manila FAME exhibitors whose products embody innovative design and material manipulation.

KATHA Awards puts a spotlight on sustainable products made by Philippine designers and artisans out of local indigenous materials for different sectors: furniture, lighting, home décor, fashion and seasonal décor.

The Manila FAME was recently held last April 25 to 27 at the World Trade Center Manila. It is the Philippines' premier design and lifestyle event organized by the Philippine Council for International Trade Expositions and Missions (CITEM), the export promotion agency of the Department of Trade and Industry (DTI).
